- deep-blue (2376 C)

RCS blended

PET bottles are recycled into new fashion items. Plastic bottles are crushed, melted down and spun into new yarns, some of which are used in production up to 100%. The Recycled Claim Standard (RCS) stands for independently verified recycled materials, transparent supply chains and fair, environmentally friendly and healthy-conscious production conditions.

6 Panel

Division of cap into 6 segments. Advantage: One of the most popular cap shapes in Europe
